

ATTENTION TRINITY PARENTS: Restocking the Store

Please help us restock the Accelerated Reader Store.

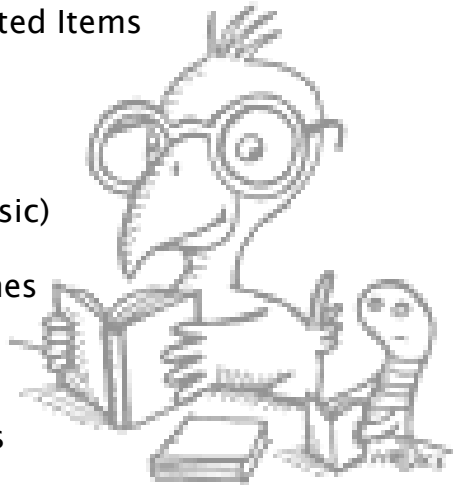

You can help by donating items to the store. The Items must be **new and in original packaging**. If you prefer, you may donate money and we will do the shopping. Keep in mind, if you own your own business, your donations are tax deductible. Please, mark "AR Store" on any items you send in. If you donate money, please put "AR Store" in the memo section of the check or put cash in an envelope labeled "AR Store".

Encourage your child to read and earn AR points to spend at the AR store each month.

Thank you in advance for your help and generosity.
