1.1 Nutrition Education

Nutrition education, a component of comprehensive health education, shall be offered every year to all Trinity Lutheran School students. Nutrition education topics shall be integrated into the entire curriculum when appropriate. The Trinity Lutheran School nutrition education program addresses the following:

Curriculum:

- Equips students to acquire the knowledge and skills needed to engage in sound nutrition behavior.
- Promotes Christian standards and values as written in Holy Scripture.
- Is aligned with state standards.

Instruction and Assessment:

- Aligns curriculum, instruction, and assessment.
- Addresses the state guidelines for recommended instruction.
- Builds students’ confidence and competence in making healthy nutrition choices.
- Engages students in learning that prepares them to choose a healthy diet.
- Is taught by highly qualified teachers, health professionals and qualified volunteers.

Opportunity to Learn:

- Includes students at all grade levels and abilities.
- Provides adequate instructional time to build students’ confidence and competence in health-enhancing skills.

The Trinity nutrition education shall be made available to parents and the community. Nutrition education may be provided in various forms, including school newsletters, parent and teacher handbooks, additional handouts, posters, banners, website postings, community and student oriented presentations and other communications focused on promoting proper nutrition and healthy lifestyles.

1.2 Nutrition Standards

Trinity Lutheran School offers a school meal program that shall design menus that meet the meal patterns and nutrition standards established by the United States Department of Agriculture (USDA). Trinity encourages students to make food choices based on the most current Dietary Guidelines for Americans. Food and beverages that compete with the school's policy of promoting a healthy school environment shall be discouraged.

Trinity Lutheran School will meet the nutrition recommendations of the *U.S. Dietary Guidelines for Americans* for food and beverages.

Trinity Lutheran School will draw upon qualified child nutrition professionals and provide students with access to a variety of affordable, nutritious, and appealing foods that meet the health and nutrition needs of students.

Trinity Lutheran School will provide clean, safe, and pleasant settings and adequate time for students to eat.

Trinity Lutheran School will provide nutrition education that fosters lifelong habits of healthy eating and physical activity, will establish linkages between health education and school meal programs, and will utilize related community services.

1.3 Physical Education and Physical Activities

Developmentally appropriate physical education shall be offered to all students. In addition, physical education topics may be integrated into the entire curriculum when appropriate. Trinity Lutheran School shall implement a quality physical education program that addresses the following:

Curriculum:

- Equip students with the knowledge, skills, and attitudes necessary for lifelong physical activity.
- Promotes Christian standards and values as written in Holy Scripture.
- Influences personal and social skill development.
- Is aligned with state standards.

Instruction and Assessment:

- Aligns curriculum, instruction, and assessment.
- Builds students' confidence and competence in physical abilities.
- Engages students in curriculum choices that prepare them for a wide variety of lifetime activities.
- Includes students of all abilities
- Is taught by highly qualified teachers.
- Keeps all students involved in purposeful activity for a majority of the class period.

Opportunity to Learn:

- Builds students' confidence and competence in physical abilities.
- Has an age-appropriate student-to-teacher ratio.
- Has enough functional equipment for each student to actively participate.
- Includes students of all abilities.
- Addresses the state guidelines for recommended instruction.
- Provides facilities to implement the curriculum for the number of students served.

Trinity Lutheran School may offer daily opportunities for unstructured physical activity, commonly referred to as recess, for all students Pre-K through grade five. Students in grades six through eight participate in “walk time” for twenty minutes daily. Recess and walk time are in addition to physical education class time and not a substitute for physical education. Proper equipment and a safe area designated for supervised recess is provided. Teachers are discouraged from withholding participation in recess to make up for missed instructional time.

Trinity Lutheran School provides extra-curricular opportunities for physical activity, including an athletic program for boys and girls in grades five through eight.

Parents, teachers, administrators, students, and community members are encouraged to serve as role models in practicing healthy eating and being physically active.

1.4 Implementation and Monitoring

The school principal will ensure compliance with this nutrition and physical activity wellness policy.

- School service staff will ensure compliance with nutritional policies within school food service areas and will report to the school principal.
- Physical education and health curriculum are aligned with state standards and the Wellness Policy.
- Trinity Lutheran School will comply with all applicable federal and state requirements.
- This policy is subject to ongoing review and modification as necessary to assure compliance with the purpose and intent of Trinity Lutheran School and the Lutheran Schools of Indiana.

Students, staff, and the school community will be informed about the local wellness policy. Records of annual inspections and reports will be available in the school office.

Any Trinity Lutheran School or Lutheran Schools of Indiana stakeholder wishing to express a viewpoint, opinion, or complaint regarding these rules should contact:

Superintendent, The Lutheran Schools of Indiana
Indiana District – Lutheran Church Missouri Synod
1145 South Barr Street
Fort Wayne, IN 46802
800-837-1145 ext. 212

2.1 Vending Machines

- All church vending machines are not to be used by students during school hours.

2.2 Food Service Personnel

- The head cook should be licensed by the State of Indiana
- The head cook shall attend training required by the state, paid for by Chartwells Food Service.

2.3 Food Allergies

- Students with food allergies are to be made known to the head cook. After consultation with the parent(s) of the student, an individual plan shall be put into place. Every attempt will be made to accommodate students with food allergies
- Students shall be discouraged from sharing their food and beverages with others.

2.4 Snacks

- Students must bring their own snacks if allowed by the classroom teacher. These snacks must not be considered “junk food”.
- Homemade snacks will be allowed only with approval of the principal.

2.5 Fundraising

- Foods sold as part of fundraising activities should be chosen with “target audience” considered. Foods offered directly to school students should not be “junk foods.”

2.6 Concession Stand

- Foods offered through the concession stand may only be offered outside of school hours. Since students purchasing items through the concession stand should be under the supervision of their parents, these foods may include items considered “junk food.”
- All foods sold in the concession stand shall be pre-packaged or made directly in the concession stand.
- The concession stand should offer “healthy food” options.

2.7 Drinking Water

- Students having water bottles in the classroom is left to each classroom teacher. Teachers are encouraged to allow water bottles if they do not pose a distraction to the learning environment.

**State of Indiana
Second Regular Session 114th General Assembly (2006)
SENATE ENROLLED ACT No. 111**

SECTION 1. IC 20-26-9-2 AS ADDED BY P.L.1-2005, SECTION 10, IS AMENDED TO READ AS FOLLOWS [Effective July 1, 2006] Sec. 2 .defines a “qualifying school building” as

1. at least twenty-five percent (25%) of the students who were enrolled at that school building during the prior school year qualified for free or reduced price lunches under guidelines established under 42 U.S.C. 1758(b); and
2. lunches are served to students.

And after June 30, 2007, defines a “qualifying school building” as

1. at least fifteen percent (15%) of the students who were enrolled at that school building during the prior school year qualified for free or reduced price lunches under guidelines established under 42 U.S.C. 1758(b); and
2. lunches are served to students.

SECTION 2. IC 20-26-9-18 IS ADDED TO THE INDIANA CODE AS A NEW SECTION TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2006] Sec. 18

The school board shall establish a coordinated school health advisory council (referred to as the "advisory council" in this section). The advisory council may review the corporation's wellness policies on a yearly basis and suggest to the school board for approval changes to the policies that comply with the requirements of federal Public Law 108-265 and IC 5-22-15-24(c) before July 1 of each year. The advisory council must hold at least one (1) hearing at which public testimony about the local wellness policy being developed is allowed.

The school board shall appoint the members of the advisory council, which must include the following:

- Parents.
- Food service directors and staff.
- Students.
- Nutritionists or certified dietitians.
- Health care professionals.
- School board members.
- A school administrator.
- Representatives of interested community organizations.

The school board shall adopt a school district policy on child nutrition and physical activity that takes into consideration recommendations made by the advisory council.

Through implementation and enforcement of this policy, the corporation will create an environment that supports opportunities for physical activity and healthy eating behaviors. To ensure continuing progress, the corporation will evaluate implementation efforts and their impact on students and staff at least every three years. The board will notify the public of the results of the three-year assessment and evaluation.

The board designates the superintendent to ensure compliance with this policy and its administrative regulations. The superintendent is responsible for retaining all documentation of compliance with this policy and its regulations, including but not limited to each school's three-year assessment and evaluation report and this wellness policy and plan. The superintendent will also be responsible for public notification of the three-year assessment and evaluation report, including any updates to this policy made as a result of the corporation's three-year assessment and evaluation.
