Most of the world knows October 31st as Halloween; however, in the Lutheran Church, October 31st is Reformation Day. On this day in 1517, Martin Luther posted his 95 Thesis on the church door asking the Catholic church to reform its practices. Because of Martin Luther, the people were able to have access to the Bible in their own language and read about God's grace and forgiveness. We teach and model this grace and forgiveness at Trinity and work to raise compassionate and Christ-filled students! God's blessings on your weekend!

In Christ,
Mrs. Grein
