Announcements

- ⇒ Thank you for all you have done during remote learning to ensure your children are on Zoom meetings and completing their work. This process would not be successful without you!
- ⇒ Our PK4 students present the Advent service Wednesday night at 6:30 p.m. We are so excited for them to present the Gospel message!

The second candle of Advent is Faith. The definition of faith is complete trust in someone or something. We have faith in our heavenly Father that when we pass away we will be with Him eternally and that He will always work for our good. Sometimes we can't see the light at the end of the tunnel. This is where faith enters. Our faith allows us to trust that there is something incredible ahead even when we cannot see it. May your faith in our Savior continue to grow this Advent season.

In Christ,

Mrs. Grein
