Chapel this week focused on being a light to the world. At Trinity this semester, we are working on Being a Trojan! Our emphasis is: Be Polite, Be Kind, Be a Helper! This is the community we want to create and habits we want to learn. The goals include: saying please and thank you, not saying words that hurt, and looking for ways to help each other. We appreciate your support as we teach and grow these skills!

In Christ,
Mrs. Grein
